

# Profile of H.E. Governor George Ntembeya

## Introduction

His Excellency **George Ntembeya** is the **Governor of Trans Nzoia County**, a visionary leader renowned for his **bold leadership, transformative policies, and unwavering dedication to public service**. With an extensive career in administration and governance, Ntembeya has consistently demonstrated a **people-first approach**, focusing on **development, security, and social welfare**.

Since assuming office, he has prioritized **infrastructure development, healthcare, education, youth empowerment, and economic growth**, ensuring **equitable service delivery** to all residents of Trans Nzoia.

---

## Early Life and Education

Governor Ntembeya hails from **Kenya's Western region**, where he cultivated a strong sense of **service, discipline, and leadership** from an early age.

He pursued higher education at:

- ✓ **Kenya School of Government** – Trained in **public administration and governance**.
- ✓ **University of Nairobi** – Earned a **Bachelor's degree in Anthropology**, equipping him with **expertise in community development and social structures**.
- ✓ **Master's Degree in Anthropology** – Advanced his knowledge in **policy-making, governance, and leadership**.

His academic background has played a critical role in **shaping his leadership style and policy approach**.

---

## Career in Public Service

### 1. Early Career and Administration

Ntembeya began his career as a **Personal Assistant to the late Minister for Security, John Michuki**, where he gained invaluable experience in **security management and policy implementation**.

He was later promoted to serve as **District Officer (DO) and later District Commissioner (DC)**, where he became known for his **firm and results-driven leadership**, particularly in handling **security threats such as the Mungiki sect in Murang'a County**.

## 2. County Commissioner Roles

In **2016**, Natembeya was appointed **County Commissioner of Isiolo**, where he played a key role in:

- ✓ **Strengthening security operations** in the county.
- ✓ Leading efforts to **conserve the Mau water towers**, where he oversaw the eviction of **over 10,000 illegal settlers**.

His **firm stance on environmental protection and law enforcement** earned him national recognition.

## 3. Rift Valley Regional Commissioner (2019 - 2022)

As **Rift Valley Regional Commissioner**, Natembeya led efforts to:

- ✓ **Curb banditry and cattle rustling** in Kenya's largest region.
- ✓ **Improve governance and law enforcement** in highly volatile areas.
- ✓ Oversee **land reforms and resettlement programs**.

His no-nonsense leadership style and **bold decision-making** set him apart as a **dedicated and action-oriented public servant**.

---

# Transition to Politics

## Journey to Governorship

In **January 2022**, Natembeya **resigned as Rift Valley Regional Commissioner** to venture into politics, citing his **passion for leadership and commitment to transforming Trans Nzoia County**.

He contested for the **gubernatorial seat under the Democratic Action Party of Kenya (DAP-K)** and won decisively, reflecting the **overwhelming trust and support of Trans Nzoia residents**.

---

## Governorship of Trans Nzoia County

Since assuming office, Governor Natembeya has prioritized **transformative development projects** aimed at improving the **lives of Trans Nzoia residents**. His administration is focused on **delivering on the promises he made during his 2022 campaign**, which include:

## **1. Quality Healthcare, Affordable and Accessible**

- **Upgrading county hospitals** with modern medical equipment.
- **Improving access to quality healthcare services**, particularly in rural areas.
- Strengthening maternal and child healthcare programs.

## **2. Improved Access to Quality Education and Training**

- **Increasing funding for bursaries and scholarships** for needy students.
- **Equipping schools with modern learning facilities.**
- **Enhancing vocational training programs** to empower youth.

## **3. Modern Roads and Infrastructure**

- **Expanding road networks** to improve transport and economic activities.
- **Upgrading urban infrastructure**, including street lighting and drainage systems.

## **4. Accessibility to Clean Water and Environmental Protection**

- Expanding **water supply systems** to reach more households.
- **Promoting conservation efforts**, including tree planting and waste management.

## **5. Promotion of Trade, Industries, and SMEs**

- Establishing **business-friendly policies** to support small and medium enterprises (SMEs).
- Promoting **agricultural value addition** to boost farmers' income.

## **6. Entrenching Devolution and Strengthening Governance**

- Enhancing **public participation** in governance.
- Strengthening **county administration** for efficient service delivery.

## **7. Proper Land Settlement and Physical Planning**

- **Addressing land disputes** and improving land tenure security.
- Promoting **planned urban development** to accommodate population growth.

## **8. Empowering Youth, Boda Boda Operators, Elderly, and Other Vulnerable Groups**

- Supporting **youth employment and entrepreneurship programs.**
- Strengthening **social welfare programs** for vulnerable populations.

## **9. Promotion of Sports, Culture, Tourism, Music, and Performance Art**

- Investing in **sports facilities and talent development programs.**
- Promoting **cultural heritage and tourism** to boost local revenue.

---

## The Tawe Movement: A Call for Leadership Change

Governor Ntembeya is the founder of the **Tawe Movement**, a political initiative advocating for:

- ✓ **Development-oriented leadership** in the Western region.
- ✓ **Empowering young and progressive leaders.**
- ✓ **Challenging political stagnation and advocating for better governance.**

The movement has gained significant traction, sparking national conversations about **leadership transformation.**

---

## Personal Life

Governor Ntembeya is a **devoted family man**, with **three children** in **higher and secondary education.** He balances his **public service and family life**, emphasizing the importance of **strong values and mentorship.**

---

## Vision for the Future

Governor Ntembeya envisions a **prosperous Trans Nzoia County** with:

- ✓ **Sustainable economic growth.**
- ✓ **Quality healthcare and education for all.**
- ✓ **Improved infrastructure and urban development.**
- ✓ **A thriving business environment that attracts investors.**

His long-term aspirations include **national leadership roles**, where he hopes to **champion policies that drive Kenya's progress.**

---

## Conclusion

H.E. Governor **George Ntembeya** is a **transformative leader, visionary strategist, and advocate for progressive governance.** His **firm approach to leadership, commitment to service delivery, and focus on development** continue to make a **significant impact** in Trans Nzoia County and beyond.

With his **policies, the Tawe Movement, and his unwavering dedication**, he is **reshaping leadership in Kenya** and paving the way for a **more prosperous future.**
